

Autumn 1 Topic Overview- All About Me

Personal Social & Emotional Development

Children know personal information

- their name
- who is in their family
- the names of their friends in Nursery
- who is a boy or girl

Things that I like and that make me happy

Communication and Language

What makes a good listener

- looking at people when you talk
- remember what has been said

Talk about your family and answer questions about them

Follow instructions when working in Nursery

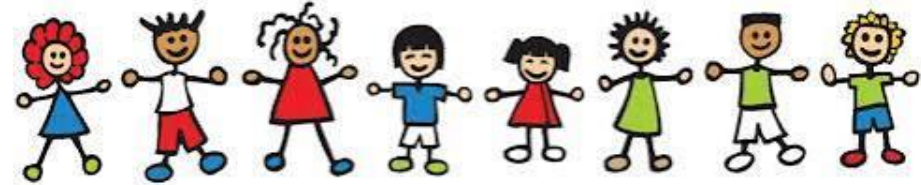

Physical Development

How to take off jumpers and cardigans

- how to pull trousers up and down
- how to push up your sleeves
- going to the toilet
- hand washing

How to hold mark making tools

Copying letters in your name

Literacy

Introduce new stories about our topic eg. Titch.

Share stories and rhymes, joining in with favourite parts.

Paint a picture of yourself.

Maths

Daily number time – the children will sing number rhymes and play lots of counting games.

Sing and join in with nursery rhymes and counting rhymes.

Talk about the models they make and the shapes they use.

Understanding the World

Talk about family and friends and events that happen.

Use the computer to play games.

Expressive Arts and Design

Use instruments to play along when singing.

Work in the home corner to play family based games.

Parents

Please support your child by talking to them about the activities that we plan to do in school.

Share a story each day.

Use story sacks to read stories and to share activities.

Parent's Night – 18th, 19th 20th October
