13th January 2021

Dear Parent/Carer

Please find enclosed Aldi vouchers to the value of £30 for every child eligible for Free School Meals. This voucher covers the period from the start of the new term to Friday 15th January 2021.

As the national school meals online voucher scheme was not made available by the government at the beginning of term, our school took the decision to ensure our eligible families received a voucher for a local supermarket to reduce the waiting time for payment of the national vouchers.

The Government has issued guidance to schools to say that the online voucher scheme should be up and running at some point next week (week commencing 18th January). This means that we will return to the system that was in place during the first lockdown. Please can all parents ensure the following points below are actioned by Friday 15th January to ensure payment of future vouchers is made as quickly as possible.

- Please ensure the school has the correct email address for you. You can do this by sending an email to finance.allsaints@schools.sefton.gov.uk with the email address you would like your voucher link to be sent to.
- If your child attends school during the lockdown from Monday, 18th January and you receive free school meal vouchers you will need to send a packed lunch for your child each time they attend.

Finally, should the national voucher scheme not be up and running next week as promised we will contact you again with a plan of action, please bear with us.

Yours sincerely,

Mrs L. A. Walker
Bursar
