

Dear Parents and Carers,

As time passes by, and there seems to be no sign of a return to school, we are increasingly aware of the support you may need to help your child keep motivated to do some work. With this in mind, the staff have been learning how to use an online platform called SEESAW. It enables each class teacher to set work and engaging learning games for each child. The work is completed online and looked at by the teacher. It would be a great way for staff to keep communicating with your child on a personal level.

This platform can be accessed by PC, tablet or apple phone or android devices.

If you wish for us to send out by e-mail a unique code for your child to access these materials, please send an e-mail address to Mrs Carlin on homelearning@allsaintsprimary.net

Nursery and Reception Children can access materials on Tapestry which they have used already. (Contact us on this e-mail if there is an issue with Tapestry)

Name of Child :

Class :

Teacher:

BY REPLYING YOU GIVE CONSENT FOR YOUR CHILD'S WORK TO BE SAVED ON THE SEESAW WEBSITE. STAFF AND YOUR CHILD WILL BE THE ONLY PEOPLE WHO CAN ACCESS THIS WORK (IF YOUR CHILD DOES NOT SHARE THE CODE)

Keep up the good work by staying safe!

Mrs Carlin
Deputy Head
