Introduction

It is our plan that all pupils, in all year groups, will return to school full-time from the beginning of the Autumn Term.

This guidance is intended to support schools, both mainstream and alternative provision, to prepare for this. It applies to primary, secondary (including sixth forms), infant, junior, middle, upper, school-based nurseries and boarding schools. We expect independent schools to follow the control measures set out in this document in the same way as state-funded schools. The guidance also covers expectations for children with special educational needs and disability (SEND), including those with education, health and care plans, in mainstream schools.

The Government has clearly set out the expectation that all children return to school in September.

All children are expected to return in September in Full school uniform including shoes. Please see Uniform Policy for guidance.
