Dear Parent/Carer,

I am writing to inform you of my plans to change the length of the school day from this September.

From the start of the new term, teaching will begin **promptly** each day at 8.45am and school will finish fifteen minutes later than we do currently at 3.30pm.

This additional twenty-five minutes of teaching each day will be one of the several initiatives we will implement to support our children's learning in the new school year.

As so much is still unclear at this time, I cannot say what we will be able to offer in terms of Breakfast and After School Clubs next year. So much will depend on the social distancing requirements as set out by the Government. I am acutely aware that for working parents/carers this will be a significant concern. We are as anxious as you to get back to normal as soon as possible. In the meantime, I hope extending the school day may help a little.

From September doors will open at 8.30am and children will need to arrive **at the classroom no later than 8.40am, ready to start learning at 8.45am** - (Rec - Yr6 only Nursery will remain the same).

It is vital that good routines are quickly re-established in order to help our children to re-adjust and to make the most of this additional time. I am appealing to all parents and carers to play your part in ensuring excellent punctuality.

If you have any comments on these changes that you feel I need to consider please do email me directly at head.allsaints@schools.sefton.gov.uk

Yours sincerely,

Mrs A. Holleran
Headteacher
