

## Geographical Skills and Fieldwork

### **Years 1 & 2:**

- Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied
- Use simple compass directions and locational language, e.g. North, South, East and West
- Use aerial photographs to recognise landmarks and basic human and physical features
- Devise a simple map and use and construct basic symbols in a key
- Use simple fieldwork to study the geography of our school and the key features of the surrounding environment

### **Years 3 & 4:**

- Use maps, atlases, globes and digital mapping to locate countries and describe features studied
- Use the eight points of a compass, 4 figure grid references, symbols and key to build their knowledge of the United Kingdom and the wider world

### **Years 5 & 6:**

- Use maps, atlases, globes and digital mapping to locate countries and describe features studied
- Use the eight points of a compass, 6 figure grid references, symbols and key to build their knowledge of the United Kingdom and the wider world
- Use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs and digital technologies
