Dear Gemma, Teachers and wonderful students from All Saints

On behalf of MerseyAid we would like to thank you and the wonderful children in your school for the amazing bags of love which you have completed.

Bags of Love is a project we run all year round and never fails to raise a smile on children and adults faces across the world. We are eternally grateful for your collection and wanted you to see some of the children and families which received Bags of Love in 2017.

Please see attached photographs of Bags of Love being distributed to the children in Greece by Volunteer Father Christmas's on Christmas Eve!

A note from the Team in Greece

*"Christmas 2017 for Humans 4 Humanity... A full weekend full of LOVE ❤️<3*

*On Christmas Eve we packed the van with the bags of love (filled with coloring books and toys!) and met up with Eva Anderson (who had a van full of toys herself!) outside of #Moria... The children and adults alike ran to our Santas with ear to ear smiles as we pulled up!*

*In the evening our Santas hit the streets of Mytilini...*

*On Christmas Day we gave out more love to the residents of Kara Tepe before settling in to enjoy a Christmas Dinner as a team and family.*

*A lot of things went wrong but even more went right... Christmas 2017 was one definitely for the books!*

*A special thank you to Rebecca Smith for connecting us with Genna Rourke from Mersey Aid who put the amazing bags together with her team of amazing volunteers from schools and churches and the NorthWest UK"*

Videos can be seen here – but I have asked for the videos to be emailed to me. So I can forward them to you.

Thank you again for your support, wishing you all a wonderful 2018.

Lots of Love

Genna Rourke
