

Relationships and Sex Education

‘A Journey In Love’ is the RSE scheme (Relationships and Sex Education) that we use at All Saints’ Catholic Primary School. It is the recommended programme of study for Catholic schools for Relationship and Sex Education and has been written so that year on year the children build on their knowledge and awareness. It also supports the Religious Education, PSHE and Science curriculum taught within the school.

As with all aspects of learning, children are naturally curious and many will have questions related to their lessons. Opportunities to discuss questions form part of the lessons and again these are treated with care and understanding. ‘A Journey in Love’ highlights the importance of parental input and children will be told to discuss their lessons at home. As a parent, you have the right to withdraw your child from Relationship and Sex Education, however we would encourage you to have a chat with us before making a definite decision.

Please click on the links for the content of Journey in Love for your child’s age group. All the information that Journey in Love covers is age appropriate and is recommended by the Bishop.

A parent/carers guide has also been included.
