Reason for attending All Saints today Deliver SANGS Litewation

We would be grateful if you could take the time to make any comments regarding your attendance here today.

Your views on the school are crucial to us seeing things from a visitor's perspective.

first impression on Monday 25<sup>th</sup> feb - very relaxed atmosphere. The layout creates a community feel.

Staff have been very welcoming from reception staff to teachers.

Children very polite and well mannered.

The most positive comment I can make is to say that I have not felt like a visitor / outsider but made to feel like a member of the team. Thanks to both year 6 teachers

Thank you so much for taking the time to complete this sheet.
