

October Half Term Project: Crime and Punishment

This half term we shall be learning about how the way that criminals operate and are dealt with has changed over history. As preparation for this, your homework is to find out all that you can about a famous criminal from history. You could find out about Billy The Kid, Robin Hood or Blackbeard. Find out all that you can about them and prepare a presentation to the rest of the class on what you have learned. This presentation can be in the form of a speech, a poster, a powerpoint or a booklet.
