

On Thursday 19th September, Year 2 had a talk about road safety. We talked about how to keep safe when crossing the road and the four things we need to do before proceeding to cross the road. STOP, LOOK, LISTEN and THINK. We also looked at safe crossing places and how to use them properly. After we had learned all about road safety, we watched an interesting video looking at different vehicles that we need to be safe around and safe places where children can play so they are away from traffic and busy roads.
