Uniform Policy

1.0 INTRODUCTION

When parents and guardians enrol their child at All Saints Catholic Primary School, they agree to abide by the rules and procedures of our school. Adhering to the schools uniform policy is therefore a parental responsibility taken on as part of acceptance as a member of the school community.

RATIONALE (taken from DFE's Guide for Headteachers, Governing Bodies, Academies, Trusts, Free Schools and Local Authorities).

The school uniform plays a valuable role in contributing to the ethos of a school and setting an appropriate tone. The Department strongly encourages schools to have a uniform as it can instil pride; support positive behaviour and discipline; encourage identity with and support for, school ethos; ensure pupils of all races and backgrounds feel welcome; protect children from social pressures to dress in a particular way; and nurture cohesion and promote good relations between different groups of pupils.

The department also encourages schools to have a very clear position about appearance such as hair colour, style and length and the wearing of jewellery and make-up.

2.0 Aims and objectives

2.1 Our policy on school uniform is based on the belief that school uniform:

- promotes a sense of pride in the school;
- engenders a sense of community and belonging towards the school;
- is practical and smart;
- identifies the children with the school;
- prevents children from coming to school in fashion clothes that could be distracting in class;
- makes children feel equal to their peers in terms of appearance;
- is regarded as suitable wear for school and good value for money by most parents; is designed with health and safety in mind.

3.0 It is our school policy that all children wear school uniform when attending school, or when participating in a school-organised event outside normal school hours unless otherwise directed.

Please note the school badge is subject to Copyright and is owned by the school. The school's official uniform supplier is Pauls' Place. 272 Stanley Road, Bootle, L20 3ER. (Telephone 0151 922 2472). No other uniform supplier is authorised to provide jumpers, cardigans or sweatshirts.

Children's coats can be very expensive. We have designed a warm waterproof, reversible coat with the school emblem, suited to the wear and tear of school life. We encourage parents to consider purchasing one from Paul's Place.

4.0 Personal Effects

On health and safety grounds we do not allow children to wear jewellery in school. The exceptions to this rule are ear-ring 'studs' or small 'sleepers' in pierced ears and watches. Jewellery i.e. Rings, earrings, bracelets, necklaces etc. should **not** be worn (see point 6). Earrings (of any type) are NOT allowed to be worn for swimming lessons (see point 6.1).

4.1 Make-Up, Nails and False Eyelashes The wearing of Nail polish or false nails is **not** permitted. This includes Gel Nails, Overlays, Acrylic Nails and Shellac. Children arriving at school wearing nail polish will be issued with nail polish remover and asked to remove it. For Nails applied in a salon, the parent/carer will be contacted and asked to return to the salon to have the nails removed. If a child arrives at school wearing make-up (including false eyelashes) parents will be contacted and asked to come to school to remove it.

5.0 Hair

Extreme hairstyles are not acceptable, this means no shaved, carved, patterned, permed or logos or Mohawk/Mohican styles or hair shaved to the scalp. Hair should be undyed and free of any extensions. Any issues of a medical or religious nature can of course be discussed on a one to one with me in confidence. Keeping hair free of the face (i.e. in a ponytail, bun etc.) seems sensible as head lice are also less likely to spread.

5.1 Any decision regarding 'extreme' haircuts will be left to the discretion of the Headteacher. Items worn in the hair should be limited to simple headbands, slides or 'bobbles'. Bead braiding is also not allowed owing to the risk of eye injury.

6.0 Footwear

We do understand the challenge we all face by trying to get more consistency in terms of the definition of suitable school shoes. We hope that you will be supportive of our efforts in this matter. However, we are seeing so many varieties of shoes (many that are deliberately trainer-like) that they seriously undermine the smartness and formal nature of our uniform.

6.1 Some notes of guidance for choosing appropriate school shoes:

Some shoes are designed to look like trainers and we are asking that any shoes are **not trainer type**.

All children will be asked to change into PE pumps whilst indoors if they come into school without school shoes. If necessary, these will be provided by staff.

6.2 We are asking that all shoes meet the following criteria:

- A firm sole/heel
- Have laces/buckles or Velcro fastening
- A water-resistant/proof upper leather-like material
- Black with minimal decoration
- DO NOT have flashing lights
- NO boots (not acceptable for boys or girls)

Neither do we allow children to wear trainers to school; this is because we think that this footwear is appropriate for sport or leisurewear, but is not in keeping with the smart appearance of school.

7.0 P.E.

Children **MUST** wear the P.E. kit as specified in the uniform guidance list. Earrings **must** be removed at all times during P.E. and games. Studs are acceptable in line with Sefton Council's Guidelines.

7.1 Swimming.

All children must wear swimming caps. Girls **must wear a one-piece** swimsuit. Earrings **cannot** be worn during swimming (Sefton Council regulation). Children needing goggles or nose clips are able to do so but this requires a special form to be completed by parents. This is a requirement of the swimming instructor.

8.0 The role of parents

We ask all parents who send their children to All Saints to fully support the school uniform policy.

The school is mindful of the financial pressures on families and the uniform is designed to be affordable and inclusive for all, with most items available from a range of outlets including supermarkets.

(Should you have difficulties regarding this please do not hesitate to speak to school in complete confidence - see Appendix A).

8.1 If any parent would like the school to modify the uniform policy, they should make representation, in the first instance, to the headteacher who will then consult the governors.

The school welcomes children from all backgrounds and faith communities. If there are serious reasons, for example on religious grounds, why parents want to wear clothes that differ from the school uniform, the school will look sympathetically at such requests

9.0 Lost Property

Parents are advised to label all clothing (sew-on labels are the most reliable).

Children are encouraged to take responsibility for their own belongings/property. School will do its best to locate missing belongings **but cannot accept responsibility for lost items, especially if they are not labelled.** School Insurance does not cover pupils' belongings.

10.0 Independence

Children are encouraged to be independent and able to undress/dress themselves when called upon to do so e.g. swimming, P.E., therefore we ask parents to support the children by practising at home. This includes fastening shoes - especially laces with older children.

11.0 Sanctions

Parents and pupils will have been asked to sign a home school agreement therefore non-compliance with the school uniform policy will be seen as a breach of 'contract'.

11.1 If children are seen to flout the school uniform policy:

- a note will be sent home with the pupil informing parents of the misdemeanour Jewellery etc. will be confiscated until the end of the week
- if after 2 days there is no change and parents have not responded to the note they will be invited in for a formal discussion with the headteacher, in the meantime, pupils will be withdrawn from break/lunchtime play for a maximum of 3 days
- if after 5 days there is no cooperation from parents/pupil a more formal meeting will be arranged with the governors

At any time in this process, the school may also choose to provide alternative items of uniform that may be worn temporarily (subject to availability).

12.0 The Role of Governors

The governing body supports the headteacher in implementing the school uniform policy. It considers all representations from parents regarding the uniform policy and liaises with the headteacher to ensure that the policy is implemented fairly and with sensitivity.

It is the responsibility of the Governing Body to ensure that the school uniform policy meets all regulations concerning equal opportunities and is affordable. Governors ensure that the school uniform policy helps children to dress sensibly, in clothing that is hardwearing, safe and practical.

13.0 Monitoring and Review

The Governing Body monitors and reviews the school uniform policy through its committee work by:

- the views of parents, to ensure that they agree with and support the policy
- considering, with the headteacher, any requests from parents for individual children to have special dispensation with regard to school uniform
- requiring the headteacher to report to the governors on the way school uniform policy is implemented.

Appendix A School Uniform Policy

If financial hardship is the reason why a child is not appropriately dressed the school will do all we can to assist and parents should contact Mrs Claro (Safeguarding and Attendance) or Mrs Holleran. In all cases of financial hardship, parents are encouraged to inform school as early as possible so that the school's response is appropriate and sensitive to individual circumstances.
