

VISITOR FEEDBACK SHEET

Date..... 8th March 2019

Reason for attending All Saints today World Book Day Event

We would be grateful if you could take the time to make any comments regarding your attendance here today.

Your views on the school are crucial to us seeing things from a visitor's perspective.

I did a assembly with the Yr 4 & 5's where we talked about books, mythology, heroes & villains & monsters & the children proved they were experts in all these things already!

Great enthusiasm from them with wanting to answer so really rather tricky questions & also sharing how they felt about their own favourite books. Very grateful to having been invited to meet them & take part.

Thank you so much for taking the time to complete this sheet.
